SCRUB HAT PATTERN (1 of 4)

SCRUB HAT PATTERN (2 of 4)

SCALED AT 100%

SCRUB HAT PATTERN (4 of 4)

	21/2"		2½" 1 SEW TO B		
91/2"	PIECE C x2 on fold (Main Fabric)			PIECE D x2 on fold (Main Fabric)	9½"
				<u> </u>	

SUPPLIES:

- Fabric ½ yd.
- Elastic

STEPS:

- 1. Cut fabric according to provided templates.
- 2. Place one piece C and one piece D on piece B, with right sides together, lining up edges as shown. Pin and stitch with ¼" seam allowance. Press seams, and repeat step for remaining B, C and D pieces.
- 3. Align piece A with piece B, from step two. Pin and sew around, with ¼" seam allowance, starting and stopping where template indicates. Clip curve and turn right side out. Repeat for remaining pieces.

- 4. Place one piece inside other, with right sides together. Pin straps and curve of cap as shown, leaving opening between ties. Sew with ¼" seam allowance and turn right side out. Press.
- Fold opening between ties under and pin edges together. Stitch line ½" above pinned edge. Remove pins and insert 3" piece of elastic. Sew ends of elastic to ends of opening. Pin opening and sew pinned edge.
- 6. Top stitch around entire hat.

Note: We used ¼" elastic, but you could alter the project to use a different width.
