

METAL

Techniques

HOBBY LOBBY®

Take **metal accents** from simple to simply stunning with our helpful step-by-step instructions!

ANTIQUED

SUPPLIES

Round galvanized metal box #1444892, craft acrylic paint, coarse sponge, ink pad and stamps, fabric, scissors, hot glue gun and glue sticks

STEP 1

Stipple black paint onto metal box and let dry.

STEP 2

Stipple gold paint onto metal box and let dry.

STEP 3

Cut and stamp fabric pieces as desired.

STEP 4

Layer stamped fabric pieces and hot glue to container.

OXIDIZED

SUPPLIES

Metal wheelbarrow planter #2169589,
patina finish kit #1288281, paintbrush

STEP 1

Apply two coats of primer, waiting a half
hour between coats, and let dry.

STEP 2

Apply two coats of copper paint, waiting a
half hour between coats.

STEP 3

While second coat of copper paint is still wet, spray on
a light coat of patina aging solution and let dry.

RUSTED

SUPPLIES

Striped galvanized metal watering can #2019123, rust finish kit #1288299, decorative brass tacks, hot glue gun and glue sticks, wire cutters, paintbrush

STEP 1

Apply two coats of primer, waiting a half hour between coats, and let dry.

STEP 2

Apply two coats of iron paint, waiting a half hour between coats, and let dry.

STEP 3

Spray on two light coats of rust activator solution, waiting five minutes between coats, and let dry.

STEP 4

Cut stems off tacks and hot glue them onto watering can.

GALVANIZED

SUPPLIES

Silver metal tub #665810, self-adhesive vinyl, vinyl transfer tape, cutting machine, vinegar, bowl, container (for any drips), towel

STEP 1

Soak towel in vinegar.

STEP 2

Wrap towel around metal tub and let sit one hour. Turn container, repeat on other side, and then let dry.

Tip: The longer the vinegar is applied, the more it will remove the shiny finish.

STEP 3

Cut word or design from self-adhesive vinyl and adhere to container.

SUPPLIES

Silver and copper watering can #881888, craft acrylic paint, chalk paint, decoupage medium, paintbrushes

STEP 1

Prime silver parts of watering can with white chalk paint and let dry.

STEP 2

Apply craft acrylic paint over chalk paint and let dry.

STEP 3

Paint desired pattern or designs with chalk paint and let dry.

STEP 4

Apply decoupage medium to seal painted design.
