Wreaths

HOBBY LOBBY®

HAVE A GO AT THESE GORGEOUS
Nature-Inspired Projects!

On the Cover: Cut the twig that binds your wreath together, then stretch the wreath over a round foam cake form and secure with hot glue. Insert orchid stems into the foam, and fill in any gaps with greenery. Grapevine Wreath - 14" #692145

Grapevine Galore

Whether you're stacking wreaths into a trellis (A), turning one into a vase (B), tying pieces together to create mini hearts (C), or simply adding flowers and moss (D), grapevine possibilities are endless thanks to its stellar versatility and woodland appeal.

Trellis: Grapevine Wreath - 14" #692145 | Vase: Grapevine Wreath - 14" #692145
Hearts: Grapevine Wreath - 14" #692145 | Wreath: Grapevine Oval Wreath #559674

Wispy Wonder

The bigger the wreath, the bigger the statement! This 30-inch stunner packs some serious size *and* style thanks to long-stemmed florals (hello delphinium, forget-me-not & larkspur!) and trailing twigs. Grapevine Wreath - 30" #720474

Good Things...

...come in threes! Case in point: This trio of mini wreaths in increasing sizes—each hung with velvet trim and embellished with daisies—makes for a dreamy new take on a front-door classic. Grapevine Wreath - 6" #773465 | Grapevine Wreath - 8" #678557 | Grapevine Wreath - 10" #692137

Neat Wreath! ▶

Calling all décor connoisseurs—here's your next DIY beauty! Simply secure two wreaths together, add in some florals and greenery, then hang with ribbon.

▼ Rustic Charm

Bundles of bleached wheat mingle with creamy snowball sprays and wispy bunny tail flowers in this modern farmhouse wreath.

Pro tip: Cut away the top part of the wreath for an open and airy look.

▼ *Disco, Anyone?*

This groovy-boho wonder owes its striking style to brightly dyed flowers (sola wood, phalaris, gypsophila and bunny tails) and dazzling disco balls. For even more texture, back the wreath with a sheet of cane. **Grapevine Wreath – 18" #692152**
