

# MACRAMÉ

Décor

**HOBBY LOBBY**®

*Knot Your Average Creations!*

## On the Cover

Pair a macramé tapestry with a floating shelf to create a stylishly functional décor piece!

*A: Square*

*B: Double half hitch*

*C: Spiral square*

## Floral & Fringe

This macramé masterpiece comes to life with the help of macramé cord, acrylic paint and vertical double half hitch knots! Once the rug is complete, just trace a design and paint away.

## Ready or Knot

These pillows are coming in hot! Featuring a wide range of knots, patterns and techniques, these covers offer the perfect creative challenge for any level of macrame crafter.

Various types of knots are included throughout and are designated with corresponding letters.

- A: Coiling
- B: Square
- C: Braid
- D: Square
- E: Double half hitch

## Something Blue

Create this macrame-inspired art without tying a single knot! Just coil lengths of cotton cords together, dye them, and then arrange and secure them to a canvas. Add fringe and wood accents as desired!

*Add color-rich designs and patterns like this to coiled cording with a simple ice dye technique.*

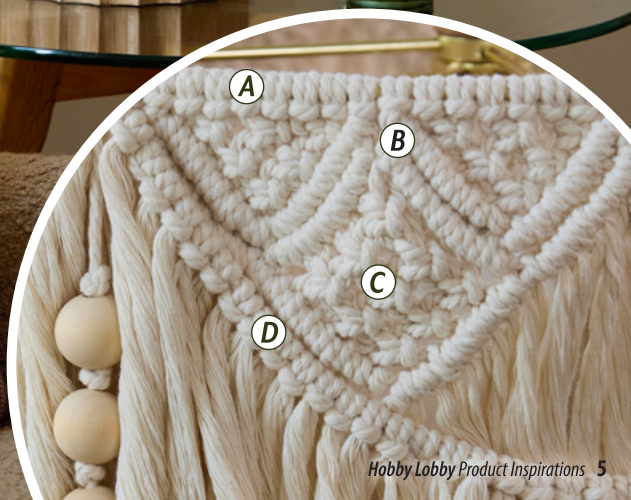

## ***Bright Idea***

When your macrame design calls for unraveling cord (like in this lamp shade), a fringe comb will be your best friend. Just brush through the cord and finish by trimming the ends.

- A: Lark's head*
- B: Half hitch*
- C: Square*
- D: Lark's head*

## ***Hanging Around***

This boho-inspired hammock-and-table combo turns any outdoor space into a comfy oasis that's perfect for kicking back, drinking a glass of lemonade and reading your favorite book.

**A:** Lark's head

**B:** Square

**C:** Half hitch
