CROCHET GUIDES FOR
3 Cuddly Creatures

Polar Pal

Black, white and cute all over, this little penguin can withstand the cold thanks to a crocheted scarf and a pom-pom beanie. And small plastic pellets (sold in Crafts with the dollmaking supplies) inside his tummy help him stand on two flippers without toppling over!

Jazzy Giraffe

Upping the cuteness of this oh-so-lovable giraffe was a tall order, but this matching bow-and-skirt ensemble is the perfect pairing. Like most amigurumi, she's made with single crochet stitches from head to hoof (crochet her spots and cheeks separately, and sew them on at the end).
